Article 296 (a) is amended by inserting the following as the second sentence in the paragraph:

However, a separate power of attorney (customs Form 5295) will be required for filing protests. (See art. 850.)

The second and third sentences of article 296 (d) are amended to read as follows:

Such power must recite the names of all members of the partnership and shall be limited to a period of not more than two years from the date of receipt of the power by the collector. When a new firm is formed by a change of membership, no power of attorney filed by the antecedent firm shall thereafter be recognized for any customs purpose.

Article 850 is amended to read as follows:

ART. 850. *Form of protest.*—(a) Protests (except protests by American manufacturers, producers, and wholesalers—see art. 871) shall be in duplicate and in writing, addressed to the collector, and signed by the party protesting, or his agent or attorney. A protest signed by an agent or attorney shall be rejected by the collector unless there is filed with the collector a power of attorney (customs Form 5295) authorizing such agent or attorney to make, sign, and file the protest or protests, which power shall be limited to a period not to exceed two years from the date thereof, and shall be acknowledged. Each protest shall show the addresses of the protestant and his agent or attorney, the entry number, importing vessel, date of arrival, and date of liquidation of the entry, and shall set forth distinctly and specifically in respect to each entry, payment, claim, or decision the reasons for the objection, citing the rate or rates of duty claimed to be applicable, and the paragraph or section of the law, if any, under which relief is claimed.

(b) Partnership powers of attorney to file protests may be executed by one member in the name of the partnership, provided said powers recite the names of all the members. Corporate powers

of attorney to file protests shall be signed by a duly authorized officer of the corporation.

Customs Forms 5291 (Power of Attorney for Other Than Corporation) and 5293 (Corporation Power of Attorney) will be amended to eliminate the authority of the agent or attorney to make, file, and sign protests under section 514 of the Tariff Act of 1930. Customs Forms 5291, 5293, and 5295 will be available for distribution within approximately 90 days.
